Rhana,

Thanks for reaching out, unfortunately the governor does not have any availability to join you all at this time.

However if there is a change in her schedule I'm happy to let you know.

Thanks,

Chaney

Also, pre-tape at 4:30 EST is also an option.

Hello Chaney,

I wanted to put a request in for Governor Nikki Haley to come on our program tonight LIVE at 6 PM EST to discuss South Carolina's hurricane prep.

As far as location, is there already camera position in her office or wherever Gov. Haley will be to do via satellite? Otherwise I can coordinate a studio right by where she is to do.

Best,
Rhana
