Hi Sara,

Thank you for talking to me the other day and apologies for the delayed response; I've been out of the office. I really appreciate you sending the articles through and the contact details for Nicole and Chaney.

I had a good chat with Louann Sandel at the Domestic Abuse Center and have a call scheduled with Frank Loadholt on Wednesday. In regard to other Batterer Intervention Programs, I wondered if there was anyone else you might recommend speaking to?

Best wishes,

Jess

Hi Jess,

I can speak between now and 1:45 (all of these are our time) or after 3:30 (I know that's late for you).

Tomorrow, I can talk between 8 & 9:30 am

Do any of those work?

Sara

Dear Sara,
I hope this finds you well. My name's Jess Winteringham and I'm an Assistant Producer writing from the BBC in London. I'm doing some very initial research into domestic abuse in the US and read The Post and Courier investigation on domestic abuse in South Carolina. I wanted to find out more about the current situation in regard to new legislation and I also have some questions about intervention. I wondered if you might have time for a chat on the phone today or tomorrow? I spoke to Courtenay just now who mentioned that you will be in the office this afternoon.
I look forward to hearing from you.
Kind regards,
Jess
