Thanks, Sawyer! One quick correction in the third paragraph:

The Honored Marque this year is the World War II Era (1925-48) European Classics. Also celebrated will be the American Cars of 1956, and there will be a special tribute **will be given** to the Anderson, a South Carolina-made car celebrating its Centennial this year. The Honored Collector is Jeff Lane, owner of the Lane Museum in Nashville, Tennessee, and the Pinnacle award winner is Miles Collier, Founder of the Revs Institute for Automotive Research in Naples, Florida.

And put a period at the end of the fifth paragraph.

Other than that, I think it's ready. I'll be happy to share a final with the governor's team.

Hi, Chaney and Brian. See attached, a proposed welcome letter under Gov. Haley's signature, for the program booklet of the Hilton Head Island Motoring Festival and Concours d'Elegance. <http://www.hiltonheadisland.org/concours/>. The letter is similar to the one she offered last year for their program booklet.

Can you review at your convenience and let us know of any changes, updates or approval? I believe their deadline is within a week, certainly by next Tuesday, July 19.

Call me if you have any questions or concerns. Thanks for anything you can do!
