Re: Pfizer, Inc. ("Pfizer"); Average Wholesale Price ("AWP") settlement

Dear Mr. Keck:

This office has reached a settlement with Pfizer concerning the reporting of false and inflated AWP's. I am pleased to inform you that the South Carolina Medicaid Program's portion of the settlement is \$2,122,173.98. These funds consist of \$1,560,422.04 in federal-share funds and \$561,751.94 in state-share funds. For CMS reporting purposes, these funds are the net funds remaining after deductions for administrative costs of \$374,501.29 in attorneys' fees. My finance division will contact your finance division concerning the interagency transfer.

I wish to thank you, Rick Hepfer, Byron Roberts, Jim Assey, Rod Davis, and the numerous other members of your office who have assisted with this matter, and I look forward to successful cooperation with your office on future matters.

If you have any questions relating to this matter, please feel free to contact Assistant Deputy Attorney General C. Havird Jones, Jr., the attorney in charge of this matter, at (803) 734-3680 or me at (803) 734-3656.

Sincerely,

Alan Wilson
