I hope you are all staying safe. Any word on if Lee State Park will be open this weekend? I haven't been able to reach them directly. We are headed there with the horses to camp but I want to make sure the trails are rideable and the roads in are safe to haul on.
Thanks for your help.

Natalie, the park has left a message for you on your phone line associated with your reservation. The Campground and Day Use areas are open. Loop Road is closed which includes the section from the Campground past the Show Ring/Horse Trails and Primitive Area and down around the River. We are hoping to open the section to the Show Ring/trails and Primitive area this week if possible. Please contact the park.
