Subject: missing red hand-trucks from Carolighting.

Barry Wells saw my missing garnet hand trucks and told me to contact Craig or Creig . I don't know who he is referring to. PLEASE forward this to him and all of the grounds people or City of Columbia people. Thanks you. I really need to find this hand-truck.

Dear Fellow Carolighting Committee:

Tonight after the Carolighting, our garnet colored hand -trucks with 2 wheels, disappeared from in back of my Southern Bronze handbell ensemble. Since we had 3 trucks full of our equipment, I thought it was in another car. It definitely was NOT and I know it was behind us after the Carolighting. PLEASE send an email to ETV and to the people who gathered the chairs, tables, etc or to anyone that might have borrowed it , or thought it belonged to them.

PLEASE help me find this. Thanks so much.
