Subject: fighting the establishment

---

Dear Friend,

The South Carolina political establishment has always targeted me because I'm not afraid to stand up for commonsense constitutional principles.

>> When it comes to state sovereignty and fighting back against tyrannical Washington overreach, no one has stood as firm as I have in the State Senate.

>> When it comes to protecting and defending our sacred right to keep and bear arms, no one has stood as firm as I have in the State Senate.

>> When it comes to protecting and defending the unborn, no one has stood as firm as I have in the State Senate.

>> And when it comes to protecting our state's borders and South Carolina families from unknown and unvetted Syrian refugees, no one has stood as firm as I have in the State Senate.

The people of South Carolina deserve a State Senator who won't kowtow to the political establishment and the politically correct elements in our state. And I have time and time again been that outspoken leader.

**That's why I'm asking you to stand with me as we prepare to file a critically important fundraising report on Thursday night at midnight.**

**Please make your most generous contribution of \$100, \$50, or \$25 before our fundraising deadline at midnight on December 31st.**

Your investment and support in our campaign will send a convincing message to the political establishment in Columbia that grassroots conservatives want a strong voice in the State Senate.

Thank you!

For Liberty,

Senator Lee Bright
