Subject: Provisos

Les is out of the office today. I am working on the provisos. Not yet done with the latest changes. I know I need the two new John De La Howe Provisos and there are several other minor issues that I was waiting to discuss until I had completed the entire document with the latest updates. I will be here next Monday and Tuesday if ya'll want to try to get together once Les is back. I have plenty to still work on today. Just let me know what you want to do.
