Hi Chaney,

I'd love to follow up on this. The Governor was so moving in her remarks yesterday, and we would be so honored to have her join us.

Don remains in Charleston and we are live tonight between 9 - 10 pm et and can pretape if needed.

Please let me know your thoughts and all my best,  
julie

Hi Chaney,

This is Julie Zann writing with CNN tonight at 10 PM and Don Lemon.

I couldn't be more sorry to write under the circumstances, but Don is going to be in Charleston tonight to cover the horrific shootings. We would be honored to have the Governor join us to discuss how the community heels, and how it will seek justice.

Can you please reach out to me ASAP on this?

Will do anything needed to make it work.

Thanks so much, and best,

Julie
