MARK YOUR CALENDAR! Enrichment is something we do with the animals each day to stimulate their natural instincts and to promote their well-being. It can be as simple as a new scent, a new food, or a complex puzzle toy. April 27 from 12:30-3:30 the Animal Forest at Charles Towne Landing is hosting its annual Enrichment Day. Come spend the afternoon in the Animal Forest and learn about the “toys” the animals play with. You could even learn some new tricks to enrich your pets at home!
