Subject: Re: Tomorrow

We are back tomorrow at 9:00. I thought John explained well the challenges we are having building capacity to track initial screens and periodic health care, but we did not have deep discussion about what kind of improvement plan we could commit to.

Subject: Tomorrow

I have to take care of something in the morning so butch will be representing us. What's tomorrow's schedule? I plan on coming over at some point. Did we make progress on medical?
