Dear Governor

I'm writing this letter seeking your help with a problem I encountered with the Department of Motor Vehicle. My letter was sent on August 8, 2015 and as of this date has not been answered.

The letter is enclosed explaining I was refused Veterans license plates because my autos are registered in a trust as explained in the enclosed letter.

I would appreciate your help on this matter so I may proudly display my Veterans status on my South Carolina plates. Thank You for your time and assistance on this matter which is very important to me.

Dear Commissioner

I am writing to you for you help to resolve a problem that I feel should not exist.

I am a veteran of the U S Navy and applied for a veterans license plate and to my surprise I was refused although I had my DD 214 and my Honorable Discharge with me.

When I asked why the clerk informed me that my autos were registered in a trust for my wife and I. We did this on the recommendation of our attorney being we have a handicapped daughter and it was for her protection . The DMV clerk stated that the trust and business registrations were grouped together and that was the reason it could not be done. I do not understand why business's and trust's are grouped together as they are two separate entities.

Why should I be deprived the honor of displaying my veterans status proudly on my South Carolina license plate that I earned serving my country.

I would appreciate your thought and consideration on this glitch in the MVD System and allow myself and all of my fellow veterans to proudly display their veteran status on their South Carolina Plate's.

Sincerely

John F Sullivan
