Dear Editor:

Here is a copy of what I'm sending to the political and church leaders.

According to the Authorized King James Bible, "God has His way in every whirlwind and every storm", Nahum 1:3, "And God made the weather for three things. No. 1: CORRECTION; No. 2: MERCY; No. 3: FOR THE GOOD OF THE LAND" Job 37:13, Psalms 18:13 "He sends His lightening to the end of the world, fire and hail." Since the weather is number one for correction, the storms, floods, droughts and hail will get worse and worse and worse until prayer and the Bible is restored in the schools, same-sex marriage is outlawed and also abortion.

All these shootings in the schools are the fruit of taking prayer and the Bible out of them. It is a sin to call a homosexual "gay". The word gay is only in the New Testament one time, referring to the clothing of the rich, James 2:3. Authorized King James Bible, Revelations 21:8, the list of names of the people who will be in the lake of fire, and one of them is the abominable.

One in the work of Christ for the healing of the nations.

PS. II Chronicles 7:14 "If my people, which are called by my name, (profess to be Christians) shall humble themselves and pray and seek my face, and turn from their wicked ways; then I will hear from heaven, and will forgive their sin and will heal their land."

So the church world must straighten up first.
