at 12:50:33 on 12/03/2020 UTC

**Frechia Collins** Christi Tennant There are some advantages to being old. Craig is 65 now so we get 30 o/o off All of the time. Otherwise we could not have been camping as much as we have lately. Because the prices of campgrounds have certainly gone up.

at 13:01:18 on 12/03/2020 UTC

**Michelle Krasinski** Sandy Haga try calling today. I was able to leave my name and number yesterday (luckily I got through to a person) because lines were busy but they didn't get back to me yet. I believe they may honor the sale today since my friend also said they didn't get called back yet and was told the sale would be honored today since the lines were so busy yesterday.
