Governor's Proclamation

WHEREAS, endometriosis is a painful, chronic disease that affects millions of women throughout the United States; and

WHEREAS, while the causes of endometriosis are unclear, the symptoms can be treated with medication, surgery, or alternative medicine therapies; and

WHEREAS, in the absence of a cure for this disorder, prompt diagnosis and treatment can help minimize the negative effects of endometriosis that often interfere with the ability to enjoy the normal routines of life.

NOW, THEREFORE, I, Nikki R. Haley, Governor of the great State of South Carolina, do hereby proclaim March 2016 as

ENDOMETRIOSIS AWARENESS MONTH

throughout the state and encourage all South Carolinians to work together to raise awareness of this disease and to recognize the women who deal with it each day.

A handwritten signature in black ink, reading "Nikki R. Haley".
