South Carolina State Parks

at 15:48:01 on 3/27/2012 UTC ·

There's not much time to see the Oconee Bells blooming at Devils Fork State Park in 2012! Watch the video, learn more and then hurry out to see them. <http://youtu.be/mombrM6MfMQ>

The Oconee Bell Wildflowers at Devils Fork State Park

The Oconee Bell or shortia galacifolia can only be found growing naturally in two places on earth. One is the Jocassee Gorges area at Devils Fork State Park....
