Background: On May 26, 2015, The Department of Veterans Affairs launched its new nationwide initiative entitled, "VA Summer of Service." From Memorial Day to Labor Day 2015, VA will build upon its existing partnerships to grow the number of individuals and organizations serving Veterans in our communities. The Department is renewing its commitment to Veterans and seeking help from citizens across the country to honor that commitment. "We have made progress over the past year addressing the challenges we face in delivering care and benefits to millions of Veterans and their families,"

said Secretary of Veterans Affairs Robert A. McDonald. "While there is more work to do to honor our sacred commitment to Veterans, we also recognize that VA cannot do it alone. We are asking Americans everywhere to join the Summer of Service and help us give back to those who have given so much to our nation."

###

Thank you,
