Hey!

Hope you are doing well and getting some time off for the holidays! I wanted to reach out to you before Christmas gets here and see if there would be any way to set up a sit down interview with Gov. Haley at the beginning of January before she starts her role as UN ambassador. I just want to ask her about her expectations for the job and her experience as Governor. I've reached out to Rob too, but I just wanted to see if you could offer any assistance in setting this up as well. Thank you for your help, and I hope to hear back from you soon!
