Issued by the Boards of Medical Examiners and Nursing yesterday afternoon. I represent United HealthCare. We have doctors ready to assist and supervise. The problem, per my voice mail, is getting malpractice coverage since there is no employment arrangement. The IRF has said that the Medical Director at Clarendon Memorial Hospital (who wants to assist) is only covered if the RNs, Pas are employed. Since Clarendon is in a 60 mile radius of Manning and Gadsden, she could and is willing to cover both mobile units. Is there anything you'll can do to assist with the IRF. Hope things are well with you. Liz
