Hi Chaney and Rob!

It was great to meet you both the other night! I wanted to follow up with my new station contact info, since I finally have it! This of course is my email, aholland@wistv.com, and my phone number is (803)608-5760. That number will be active beginning tomorrow (Friday). Today the number is still (706)513-2561, which you can also save as my personal cell. If either of you are around sometime today or tomorrow, I'd love to stop by for a quick tour.
