Rob,

Our site is ready to go and accept donations for flood relief in SC.

The site is Text.Gives/scflood

Visit <http://text.gives/scflood> to make a donation or text 'scflood' to 843-606-5995.

I hope you will include this information in the public information that is sent by the Governor's Office to outlets about how to help.

We will send all monies collected to the Red Cross in SC to distribute as they see fit for relief in SC.

Bidr will waive all fees as we did with the PrayforCharleston campaign.

Do let me know the proper contact at Red Cross or I can contact Swati to find that out.

Thanks so much!

Jenny
