Thank you, Nicole
Is there another member of the staff who might be available--perhaps Ms. Haltiwanger?

Hi Beth,

Thanks for following up on this request. Regrettably Governor Haley will be out of the office next Tuesday, May 20 so she will be able to meet with the group on that date. Thank you for thinking of Governor Haley.

Take Care,
Nicole

Good morning, Nicole!

Hope you are having a wonderful day. I wanted to check back in with you to see if you had the chance to work on the request to meet with Gov. Haley next Tuesday, May 20, preferably in the morning. We are trying to finalize our schedule and would love the opportunity for these young college women who have a great interest in politics and public life to meet with the Governor.

Thanks so much for your help!

Dear Nicole,

NEW Leadership SC will be at the State House on Tuesday, May 20, and respectfully requests a brief time to meet and have a photo opp with Governor Haley.

NEW Leadership SC is a program sponsored by Winthrop University's John West Forum, College of Charleston and Coastal Carolina University to encourage college women's interest and participation in public life. College students representing a number of SC colleges and universities will be in residence at Winthrop University for five days in May and will travel to Columbia on May 20 for part of their learning experience. The students have the chance to meet with elected and appointed officials and learn directly from the officials' experiences. This experience greatly enhances their understanding of the political process as well as what it means to be a public servant.

We will have approximately 25 college women in attendance and it would be the highlight of their time in the program to have the chance to meet with Governor Haley.

We are in the process of finalizing our schedule and it appears as if early afternoon or morning may work best for us, although we will certainly change our schedules to accommodate any time the Governor may have for us. Even 5-10 minutes in the lobby outside her office would be great!

If the Governor is unavailable, we would love to meet with someone from her office.
