I would like mine to remain cooled at the appropriate temperature and delivered to my house in a refrigerated truck between 7-8pm only on a Tuesday or Thursday and only during the second or fourth weeks of the month but just not the fourth Tuesday of the month. Thanks.

No, seriously. I like the bring-to-work-in-a-cooler idea.

Dear Team,

The items from y'all ordered from Michael's school fundraiser are in. I have delivered all items to your respective desks that do not need refrigeration/freezing. For those items that do need refrigeration/freezing, how would y'all like me to deliver them? I did not bring them in because we do not have sufficient storage so I can bring them in a cooler and y'all can get them at the end of the day or I can deliver them to your homes. Please let me know what is best.

Thanks again for supporting Michael's school.
