Sen. Bright,

Unfortunately SCDOC did not give Blake this opportunity as there has been a deafening silence up to today.

We request a meeting with Gov. Haley as soon as possible.

Per this, Senator Bright would like this request to be honored if inmate White meets the criteria of DOC.

Thank you for your positive consideration on behalf of inmate White's family.

We look forward to your response.

We understand there is an opening for a PI at Tyger River. Michael Blake White meets all the criteria.

How can we move forward on this?

Judge Byars-

Please find the email below we received which is self-explanatory. As indicated, Mrs. White contacted DOC and has not received a response or a call back from a phone call to your office. We would appreciate it if you would look into her allegations regarding her son and why he has been taken of work release and moved further from a facility from their home. Thank you for your prompt attention to this request.

Dear Senator Bright We are writing you because we are struggling with the events that have taken place because of a horrible accident on April 7, 2011. This accident involved my son. We will be sending you via register letter a copy of a letter sent to William R. Byars, Jr. with SCDOC. Up to this point, after having called his office on October 8, have had no response. We would appreciate your contacting us after you have reviewed . Thank you Nan White
