No trouble - I expected as much. I'm off-site at a United Way meeting, but I'll be back around 11. We can pick a new time next week. Thanks.

Due to the press conferences re computer intrusion issue, I need to cancel the 1pm. I will be in Gov's office at 10:30 with media and if it finishes and you guys are available, I will try to see if u can do it before noon.

Thanks for your patience.
