When do y'all plan to reopen your grounds? We would like to take engagement pictures there!

Hi Sally! Unfortunately our gardens are still closed and we do not have a definite timeline of when we will re-open to the public. Possibly in May! I'd be happy to reach out to you when we have a date to open back up!

Thanks,  
Sarah

Congratulations on your engagement, by the way! We would love for you and your partner to have your photos taken here once our gardens are back open!

We are planning to do pictures May 4th. If you could let me know that would be great but I'm sure you're getting a lot of messages. I will touch base on here closer to time. Thank you so much for your response!

Hello! Are the gardens still closed?

Hi Sally - unfortunately the gardens are still closed and will not be opened by the 4th. With the Governors extended stay at home order and state of emergency, we do not have a definite date to reopen yet, but are looking at the possibility of opening mid-May.
