Dear Mr. Forsyth,

I hope your recent Honor Flight to Washington, DC, and the World War II Memorial was a rewarding experience for you. When it comes to recognition and gratitude, there is no group more deserving than our Veterans.

On behalf of the people of South Carolina, I would like to thank you for your service to our country as a member of the Armed Forces. By choosing a life of honor, duty, and sacrifice, you set a wonderful example for all of us, and you continue to inspire young men and women through your choice of service above self.

Michael and I thank you for defending the freedoms we hold so dear. We hope you had a wonderful trip that surpassed your expectations. God bless.

My very best,
