With the termination language, did you have in mind that each party must have prior written consent before termination except that at the end of the fiscal year, unilateral withdrawal is allowed? See draft below:

This MOU may be amended from time to time by mutual written agreement of the Parties. No Party may withdraw from this agreement without prior written consent of the Signatories, except that on July 1 of each year, a Party may unilaterally withdraw from this MOU upon thirty days (30) written notice. Parties participating in this MOU shall have identical standing regardless of their dates of execution.

Made a couple of suggestions. I'd also like to discuss another possible option to consider re: termination.  
Thanks.

Let me know if you have any additional thoughts.

By way of background/reminder, we were asked by the CG's office to draft an MOU detailing the resource-sharing arrangement btw the OIG and OEPP.

Thanks!

Attached is our first draft of the resource-sharing MOU. We want to be sure this captures the scope of what you had in mind, so please provide feedback.

Thank you,
