Subject: Governor to sign proclamation tomorrow

Dear Steering Committee members,

I am writing with news about an important event that we hope you can join us for tomorrow. After you read the details below, please let me know if you are able to attend.

At our last steering committee meeting in January, Coretta shared that she had met with Governor Haley to encourage her to sign a caregiving proclamation that would recognize the work of the taskforce. We just received word that the governor is planning to sign the proclamation tomorrow (Thursday, March 6) at noon in her office at the State House.

We would very much like to have Steering Committee members in attendance at this event, since it is an excellent opportunity to get the word out about our work and some of the issues we are planning to address. If you are available, could you please let us know via email as soon as possible?

The exact details of the event are being finalized and will be sent out by close of business today.

Thanks very much!
Eleanor
