Re: Eagle Scout Recognition

Dear Governor Haley,

Our son, Davis Stuart Smith, recently received his Eagle Scout rank at the age of 14 during his Board of Reviews on September 4, 2015! He is a member of Troop 716 which is part of the Swamp Fox District, Coastal Carolina Council.

His project was to build benches at a nature preserve center which is just starting up. The nature preserve is called Southern Terra of Awendaw and has a web site (<http://www.southernterrasc.com>) which contains more information. They are a non-profit serving other non-profits. They allow other non-profits to camp on their site at no charge.

The facility had a beautiful fire pit, but did not have any nice place to sit around it. He built four large benches to go around the fire pit and installed them. Having these benches will give organizations a place to sit around the fire and have fellowship. A picture of the project is below. Through his fundraising efforts, he had enough excess funds to also purchase and build two picnic tables for their use.

Davis greatly admires you and would appreciate it if you could send him a congratulatory letter for achieving this honor in the Scouting program. We have included a self-addressed stamped envelope for your use. Thank you for your consideration and your hard work on behalf of the public.
