Hello, I was trying to make a reservation online for june 9-11. but it tell me that "Reservations for this facility must be made in contiguous blocks of 7 days. Please adjust your length of stay."  
I wanted to know what exactly this meant. I hope to hear back soon.

Call the park directly at 803-854-2408. Some cabins may require 7 night stays during the summer. The park can help you.
