**Subject:** Thank you for Yesterday's (May 21, 2015) Ceremony with Governor Haley

Dear Nicole;

Please accept our most sincere "Thank You" for your able and kind assistance with yesterday's Carbon Monoxide Safety Ceremony. Everyone on the Governor's Staff was amazingly helpful and attentive.

I've attached a two photos from yesterday that especially touched out hearts. Please share them as you see fit. If appropriate, I **expecially** would like for The Governor to see the one titled "Jeannie Thanking Governor Haley" -- it vividly captures the tender look on a mother's face, as she looks into the eyes of another, and graciously thanks her.

The Ceremony was, at once, poignant **and** wonderful. It provided much comfort to The Williams Family and was a powerful call to action for all of us . . . . It was a day, I'm certain, no one in attendance will ever forget.

Kindly express our deepest gratitude to your colleagues, to Chief of Staff James Burns, and, of course, to Governor Haley -- she was truly magnificent.
