Lily,

Attached is the scheduling form for July 2nd. Please let me know if you need any more details in regards to the form or if anything is unclear. I called and left you a voicemail about being able to schedule a phone call between the Lt. Governor and Pastor D.J. for D.J. to be able to give him more direction and details about his vision for the service. I would love to get this call scheduled for them and to speak with you about his availability.

Thank you so much,
Shelby Prince
