Subject: Re: WSOC TV Interview request

Scott,

Thanks for the note.

Hope everyone at the station, including the legendary Greg Suskin, is doing well.

Unfortunately, the governor will not have any one-on-one availability ahead of next week's Republican address.

However, off the record for planning purposes for now, she will have a policy-oriented news conference at the Statehouse in Columbia on Thursday (tomorrow) during which she'll take questions from reporters.

Y'all are welcome to get sound from her there as it's the only scheduled availability she has, as of right now, before Tuesday.

Our office will send a media advisory with details about this news conference on Wednesday; if you have additional questions about it or don't get anything, please reach out.

And, as always, please don't hesitate to let us know how we can be resources.

Rob

Hi Rob-

Is there any way we could get one on one interview with Governor Haley in the days leading up to the State of the Union?

We could come down there and be set up and ready to go if she can spare 15 minutes.

I requested this a few months back and decided it was worth asking again.

Scott
