

## Denmark Technical College Foundation, Inc.

“Denmark Technical College, Where Great Things Are Happening”

Dear Alumni, Family, Friends and Supporters:

The Foundation of Denmark Technical College is excited to present our plans to raise funds for scholarships, grants and other college needs on behalf of our students at Denmark Technical College.

We are offering “Pavers” for sale. Pavers are bricks that will be engraved and used to create a beautiful walkway in front of our administration building (Blatt Hall) on campus. The engraving can be in commemoration of an event, an occasion, a memorial to a loved one or to the many families who have contributed to DTC.

The pavers will not only enhance our property here at DTC, but most importantly it will help to preserve and celebrate the rich history of Denmark Technical College.

This Pavers Project will assist Denmark Technical College and the Foundation fulfill its mission in preparing students to become skilled employees and productive citizens.

Please help us by purchasing a paver and informing your friends and family about this unique opportunity. The cost of each paver is \$125.00. Please see the attached form for details and purchase information. Make all checks payable to **Denmark Technical College Foundation, Inc. and mail to the address below. Payment deadline is October 30, 2015. The unveiling is scheduled for Homecoming weekend, Saturday, February 6, 2016, immediately following the Alumni meeting.**

For questions please contact Mr. James Bowden (704-609-5087 or [jamesw.bowden@yahoo.com](mailto:jamesw.bowden@yahoo.com)), Mrs. Nina Haynes (803-245-7410 or [ninasboutique@bellsouth.net](mailto:ninasboutique@bellsouth.net)) or any of our Foundation members.

Thank you in advance for your support,

*Josephine G. Caldwell*
