My Heart's Desire for America!

The Apostle Paul said in Romans 10:1 "Brethren, my heart's desire and prayer to God for Israel is, that they might be saved." It is very evident that Paul really wanted his nation of Israel to be saved. I like Paul, desire to see South Carolina, even America be saved. My heart's desire and prayer to God for South Carolina, even America is that they might be saved. It is very evident that South Carolina, even America has turned away from the Lord Jesus Christ.

Over three hundred seventy thousand unborn children have been murdered by abortion in South Carolina. This proves that South Carolina has forsaken the Lord. Over sixty million unborn children have been murdered in America. This proves that America has forsaken the Lord.

There are many other sins to prove this but our largest sin is that we have turned away from the Lord. That is the reason our nation does wicked things like abortion and many other sins.

We live in a day when even the churches refuse to stand against this awful sin. It is sad that even most preachers are not standing against this awful sin. We invite Christians to come to rallies to stand against this awful sin and for the most part they will not come. Where are the Patriots?

God said in Isaiah 1:15, "And when ye spread forth your hands, I will hide mine eyes from you: yea, when ye make many prayers, I will not hear: your hands are full of blood". How can we in our churches get our prayers answered when our hands are full of blood because we have not cried out for these little defenseless ones that are being murdered by abortion? For the most part our churches are in rebellion against God. God said in II Chronicles 7:14, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." Does not South Carolina, even America need to be healed?

Instead of South Carolina, even America saying, "God Bless America", we should be saying "America Bless God"! I believe that South Carolina, even America will be destroyed except we repent of our sin and rebellion against God. It is time for our churches to "Fall in love with Jesus". Revival will break out when we fall in love with Jesus.

Senator Lee Bright who is a pro-life Christian has introduced a bill called "Personhood Act of South Carolina". Christian Representative Joshua Putnam has introduced the same Bill in the House. Please help us get these bills passed. Personhood Act Bill, protects the Right to Life of Unborn Children.

My heart's desire and prayer for South Carolina, even America is that they be saved.

ProLife State House Rally Speech January 22, 2015 by Johnny Gardner

My father told me before he died that he feared that our nation would some day become a dictatorship because of our U.S. Supreme Court. His words turned out to be prophetic. I'm glad for his sake he didn't live to see our day. He would be ashamed as I am ashamed.

In 1973 our U.S. Supreme Court forced our states to allow abortions murders within the borders of our state, violating our fifth, fourteenth and tenth amendments to our Constitution. There is no constitutional right to abortion or same sex marriage in the U.S. Constitution - South Carolina has the constitutional right to outlaw them both.

Recently our Supreme Court ruled that our states have to allow same sex marriage within the borders of our states. Our founding fathers would be ashamed of us if they knew what we are doing today in our land. It is time for Christian Patriots to resist evil, our forefathers did. In 2006 over 78 percent of South Carolina voters voted that marriage is between one man and one woman.

Senator Lee Bright has introduced S129 "Personhood Act of South Carolina". This bill says a person's constitutional rights begin at conception.

I'm ashamed of the wicked vile things we are doing today in our nation. As a child I would have never thought we would be doing such wickedness as we have in our day, Psalm 9:17, "The wicked shall be turned into hell, and all the nations that forget God. Proverbs 14:34, Righteousness exalteth a nation: but sin is a reproach to any people. June 10, 2014, 78.7 percent of Republican voters voted that unborn children should be protected from the time of conception.

The fifth and fourteenth amendment to our U.S. Constitution, states that no ones life can be taken without due process of law. The tenth amendment "States Rights" makes it legal for South Carolina to outlaw abortion and same sex marriage with out interference from our Federal Government or Federal Courts. South Carolina is a sovereign state. Our fore fathers shed their precious blood for our independence. Let's not let them down. Let us contend for the faith, build a hedge and stand in the gap for our nation.

Please pass S129 Personhood Act of South Carolina by Senator Lee Bright to protect our children from the time of conception and also outlaw same sex marriage which is an abomination to God.

Speech for the Senate Judiciary Committee

Chaired by Senator Larry Martin

Dear Mr. Chairman and members of the committee,

The purpose of S129 "Personhood Act of South Carolina" is to clarify in plain language when a person's constitutional rights begin. At the moment of fertilization people "which includes unborn children" are protected by our Constitution.

The Constitution of the state of South Carolina in Article 1, Section 3 guarantees that no person maybe deprived of Life without due process of law or denied the equal protection of the law. The Constitution of the United States has the same guarantee written in the fifth and fourteenth amendments to protect the sanctity of life. The tenth amendment gives South Carolina the right to outlaw abortion without interference from our federal government.

Any legislation, decision or ruling that does not protect life is in violation to our constitution. As legislators you are sworn to uphold our constitution. So it is your duty to protect these innocent unborn children who are citizens of South Carolina.

Romans 13 of the Bible, instructs us that God has given us civil government to protect its citizens. Therefore, it is our duty to God to protect these children. If you don't protect these innocent children, you are accountable to God and their innocent blood is on your hands. If South Carolina does not protect these children then innocent blood is on our hands and South Carolina will continue to be under the judgment of God.

Jeremiah 1:5 shows us that life begins at fertilization and Exodus 20:13 says "Thou shalt not kill", which means we are not to commit murder. Psalms 127:3 says "Lo children are an heritage of the Lord; and the fruit of the womb is his reward. "If we want blessing and not judgment then we should obey thus saith the Lord. Proverbs 14:34 says "Righteousness exalteth a nation; but sin is a reproach to any people." This would include the state of South Carolina. I love the state of South Carolina and I don't want our state to be destroyed by God. I believe God will destroy South Carolina unless we turn to Him in obedience. Psalm 9:17 says, "The wicked shall be turned into hell and all the nations that forget God".

Jesus loves every child that we are murdering by abortion. Let us not force Him to destroy us. Let us obey Him and seek His blessings instead.

Please do your duty and pass S129 "PERSONHOOD ACT of SOUTH CAROLINA" by Senator Lee Bright out of your subcommittee favorably to the full committee and send it to the floor of the Senate for passage.

GOD SAVE THE STATE OF SOUTH CAROLINA
