I just received an email depicting this is the 2nd request from PSA Help for information. As you can see, I responded back to PSA Help on January 28th with a response. I am resending this again. And yes, as you can see McCormick County Senior Center is the only provider agency providing IIID activities under the SUA reimbursement.

(NOTE: The Saluda Senior Center provides an activity but is reimbursed from the Cora Plass group—NOT the SUA.)

Dear PSA Help,

The IIID activities in the Upper Savannah region for 2013-14 are listing as Living Well conducted by McCormick County Senior Center. The activities under Living Well include a combination of the following three activities: Chronic Disease Self Management Program, Arthritis Exercise, and the Walk with Ease Program.

Dear Ms. Hartung and Ms. Wideman:

In an effort to ensure accuracy for Disease Prevention and Health Promotion Services (OAA Title IIID), we are conducting a program and fiscal review as well as reconciliation with AIM data.

The chart below was compiled with AIM data from July 1, 2013 – December 31, 2013. Please indicate which specific Evidence Based program each provider is offering (if it is not listed) and return the updated chart by Wednesday, January 29, 2014. If there are providers missing, please add them to the chart.

For additional information or guidance on Title IIID funding, please visit the AoA website: www.aoa.gov/AoaRoot/Aoa_Programs/HPW/Title_IIID/index.aspx.
