Dear Governor Haley

I hope and pray that you are reading this and can help me with a problem I have.

This is about a guy that is in prison in Columbia. He was married to my daughter (why she ever married him I don't know). He is in there for attempted murder and something else. He has been sentenced to 2 life sentences.

He has been harassing my daughter and me for the past 2 1/2 years accusing me of all kinds of things. He gets phones from somewhere and texts me and says all kinds of ugly things. He has been doing the same thing to my daughter. ~~She~~ ^{she} had had her phone number changed several times and somehow he gets it. He hasn't got her latest number but now he is harassing her on facebook. He keeps threatening to kill her and me when he gets out or he is going to pay someone to do it. I finally had to get my number changed and he has got on facebook and harassing me again.

My daughter and I have both called the prison several times I have talk to the wardens Secretary (The warden is always in a meeting when I call) We have filed a police report and sent a copy to the warden. I have written letters to the warden and it all seems to be in vain. He told my daughter to go ahead and call the warden but he would have another phone the next day.

I am sick and tired of this mans harassment I fear to stop. This man is crazy and very dangerous and I'm afraid if by some chance of someone getting him out he will kill all of us.

Its really a longer story than this but this is the basic stuff theres probably a lot more I could tell but this is just some of it

Please help me - I'm desperate
