---

Today, December 13th, President Obama will sign the [21st Century Cures Act](#), legislation that will help people with substance use disorders get the treatment they need.

**To watch the bill signing, featuring remarks from the President and Vice President, tune in at 2:00pm EST: [www.whitehouse.gov/live](http://www.whitehouse.gov/live)**

For nearly a year, President Obama has been calling for real resources to address the opioid crisis and ensure that hundreds of thousands of Americans can get the treatment they need. The bipartisan passage of the bill exemplifies the progress we can make when both parties work together to improve the lives of people across the country.
