Subject: DEFUND PLANNED PARENTHOOD NOW ~ Website email from Ruth Johnson

Lt. Governor Bryant, It is time to STOP funding the death of little humans who cannot speak for themselves so I speak for them and say, STOP IT, STOP THE KILLING! of them. I do not my tax money to go for their killing, including Planned Parenthood. We have more than enough evidence from the filming that took place at Planted Parenthood that this business is all about making LOTS of money at KILLING innocent, defenseless babies. Taxpayers money should NOT go to for this. Shame on us as a society. An by the way, if women want general healthcare physicals, they can go to their State Departments of Health and get their healthcare physicals.
