Yes. We include any rules on the tournament propers that are attached. Just a way to combine the rules/format along with other relevant information. I would encourage you to work with the golf staff that is hosting the event for this information. Usually they have local rules and/or information that they would like to include. They may even have a format that you can use and just add your event logo.

Hope that helps! Let me know if I can provide anything further.

Thank you for the follow up email.
These are very helpful.

Did you provide the golfers with a rules card in the cart? Attached is the one that we used last year.
Thanks, Katherine

Katherine,

I apologize.. Sent the email below this morning, but may have had the address wrong.

Thank you for your patience on getting this to you. Attached are a few of the items we use for our event, particularly for registration and information during the tournament. Be sure to let me know if there is something else that would be helpful or if you have any questions.

All the best with your event!
