**Importance:** High

I hope you and your family had a great holiday! I am sending out this reminder email to inform you that your organization has been set up with LexisNexis to conduct criminal background checks with an 80% discount due to the N4A Partnership. Since you are receiving this email that means your organization has been established with a LexisNexis account number and you have also been set up with your own user ID and password.

Please pass this email over to your Human Resource Director or HR team so we can establish additional user ID's for the individuals who conduct your criminal background checks. Have your HR team reach out to me directly by sending an email with their contact information. I will reply to the email with the following information:

- Your organization's specific account number
- Who is the main contact for your organization
- Link to the LexisNexis Screening Platform
- Option to create or delete user ID's for your HR team

Attached is an overview of the partnership between LexisNexis and N4A along with the discounted special pricing already set up for your account. If you have any questions please feel free to contact me directly.

Thank You,

Jason
