Kevin -

You are awesome, my friend. Your kindness in extending assistance to us is incredible. Regardless of the outcome, your letter will be a keepsake for her as she moves into adulthood.

I have such fond memories of our childhood together and your wonderful family. Keep fighting the good fight my friend!

Hi Kevin -

Mail to Connley Skeen/Carrie Skeen
128 Newington Circle
Anderson, SC 29621
We will put it in her appeal packet that is Due March 1, 2017

Carrie (on left) at a press conference at Hanna today.

Just found out that the deadline for Clemson to have the appeal is March 1 (I thought it was March 12). I know it is asking a lot, but could you turn this around quickly for us? I want to make sure we comply with the requirements. Also, she wants to keep her major : Communications (although she has her eye on politics and public service).

My previous text to you-

Hi Kevin ... this is Connley Skeen. I realize that I probably didn't need to add my last name, but just wanted to make sure when you add me to your contacts. I am so incredibly proud of all that you have, and will continue to accomplish representing our State. I must admit, I enjoy bringing your name up in conversations with others. You are a Huge deal!

I am in need of a favor. My awesome daughter, Caroline (Carrie), is a senior at TLH this year. She is an incredible Christian young lady who makes her daddy very proud. She went to Girls State last summer as a Delegate, heavily involved in Student Government (Senior Class VP), President of Astra Club, Selected as a member of Junior Leadership Anderson Class 23 and heavily involved with helping our community through volunteering. She has also been the play-by-play announcer for TLH Athletics web

productions and is the Executive producer for the Production team at Hanna. She is Anderson 5's video board trainer as well.

She is a PROUD Republican, just like her daddy.

She has good grades and good ACT scores ... just not Great. She was accepted through the Bridge Program at Clemson, but wants to appeal that decision. By chance, could you write a letter of recommendation for Carrie for consideration of regular admission? She came to me and asked that I lean on you for some help. By the way, she loves to tell people that I am a friend, and a classmate of OUR LIEUTENANT GOVERNOR!

Let me know your thoughts, and if you can help us ... I'll send you a list of her accomplishments.

Thanks Kevin!

Connley
