Unfortunately, 10:30am does not work. Are you available to meet tomorrow morning? 9:30am?

We need to update you on three issues that impact federal transportation funding if the state is not in compliance with federal regulations. One of them, Emma's Law, is being taken up in subcommittee and committee this afternoon. Can we have a conference call at 10:00, 10:30, or 11:00 today to update you on the issues? Otherwise, it will need to be tomorrow at 9:00 or 9:30. Allen has committee meetings all afternoon.
