Subject: RE: Bill Meeting Follow Up -

This is very helpful, thank you.

This may seem bureaucratic, but I think it's important we have a boring and technical conversation about how to most effectively track these follow-ups in a common document so that we're not having to search in-boxes for attachments with follow-ups, and also to make sure that follow-ups don't exist in multiple places.

I know at least one of us has thoughts on this – all are welcome.
