---

Morning,

Hi, my name is Eric Thompson and I am the Training and Development Director at LLR. Farrar Stewart forwarded you an email last week announcing a CLE that LLR was hosting at our Fire & Life Safety Division on Monticello Road on February 22<sup>nd</sup>. Unfortunately, we have an inflexible internal scheduling issue and cannot offer this training on February 22, 2016. Because we value this training, we have re-scheduled the training for **March 4, 2016** starting at 9:30am at the Denny Auditorium at our Fire & Life Safety Location on Monticello Road. Please accept my apology for this unfortunate date change. We hope that you will remain interested in attending as we feel that the content is valuable and relative to our work as public servants for the State of South Carolina.

As before, we are asking that all participants register online using the link below. Please let us know how we can assist you in the future.
