Join us for the [National Home and Community Based Services \(HCBS\) Conference](#)

held in Washington, DC, August 31-September 3. This year we mark the anniversaries of the Older Americans Act, Medicare and Medicaid and the Americans with Disabilities Act.

The National HCBS Conference will include federal, state, and local policymakers and those who administer, manage, and deliver services from these important programs. The Conference always sees a strong presence from U.S. Health and Human Services ranging from the Administration for Community Living including AoA, Office of Disability, and IADD to CMS, HRSA, SAMHSA, Office of Developmental Disabilities, and other federal agencies.

The [HCBS Conference](#) highlights the work organizations have done to expand and improve services laid out in these programs and to increase the quality of life for older adults and people with disabilities.

Our hard work deserves a bit of celebration! On Tuesday, September 1st, the conference will host a reception and dance party honoring this momentous year. Join your colleagues as we dance the night away and celebrate 50 years and the work ahead.
