Wow! By this time tomorrow night; the polls will have closed and the culmination of 360 days of work will have been decided.

I want to thank each of you for the support you have shown me during the last year. Your emails, your facebook posts, calls, text messages, contributions and volunteer hours have meant so much to me! I will never forget this journey and your kindness.

Remember to make it all worthwhile and vote tomorrow. After that, lets kick back and enjoy! I will be at the West Columbia campagin office from 7:00 until the results come in. Please join me if your schedule allows. The address is 412 Moffatt St. Would love to see you!
