David,

Talked with associate in AG office. There are three class action lawsuits/portions with Volkswagen.

Private Class
DOJ/EPA
AG Multi-state

The AG Multi-state is the 5+ million general fund.

I did correct the AG office and let them know DHEC was not appointed as Trustee for the DOJ/EPA settlement. The associate mentioned they were working with DHEC on that settlement, and I let them know that the Governor will be appointing that agency under the Order.
