Hi Briley,

No worries! Yesterday was a little crazy for all of us, but thank you so much for your help. We do have the video up on our Facebook Page. Would you like to share that or would you like for me to send you the video separately? Just let me know what would be best.

Thank you!  
Tori Beth

Tori,

Hope it went well yesterday. Unfortunately, I was unable to attend.

Do you all have video from the press conference? We could probably share it on social media!

Just let me know. Thanks!
